Looking for a great investment property, here it is. This 61-acre Diamond in the Rough is a developer's dream being very conveniently located on North US Hwy 83 and the Frio River. The location is approximately 8.3 miles north of downtown Leakey and 20 minutes north of Garner State Park. It is heavily wooded with beautiful Frio Canyon Mountain views and an abundance of rolling topography. Improvements consist of a main house with an attached garage, stable house, detached guest house, and a workshop. It offers quiet country living at its very best with frontage along the west bank of the beautiful Frio River. No restrictions with great potential for future development. This could be a great investment opportunity or a hill country showplace. There is nothing like this on the market at this time. Price: \$1,000,000.00
